Dear Supervisors:

**APPROVE SOLE SOURCE AGREEMENT WITH IDENTIX, INCORPORATED
FOR LIVESCAN EQUIPMENT MAINTENANCE AND SUPPORT SERVICES
(ALL DISTRICTS) (3 VOTES)**

**CIO RECOMMENDATION: APPROVE (X) APPROVE WITH MODIFICATION ()

SUBJECT

The Los Angeles County Sheriff's Department (Department) is requesting approval of a sole source agreement with Identix, Incorporated (Identix) to provide maintenance and support services for the Los Angeles County Regional Identification System (LACRIS) criminal identification LiveScan fingerprint equipment (Equipment).

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Chairman of the Board to sign the attached Agreement for LiveScan Equipment Maintenance and Support Services (Agreement) with Identix, for the period from December 1, 2012, through November 30, 2014, with an option to extend for two additional one-year periods for a maximum term not to exceed four years, with Maximum Contract Sum not to exceed \$5,239,732, which includes a \$500,000 contingency fund for the purchase of as-needed additional work, including professional services.
2. Delegate authority to the Sheriff or his designee to execute Change Orders and Amendments, as set forth in the Agreement, including to: (1) approve assignment of the Agreement to a new contracting entity upon determining that such assignment is in the best interest of Los Angeles County (County) and execute applicable documents when the original contracting entity has merged,

been purchased, or otherwise changed; (2) modify the Agreement to include new or revised standard County contract provisions adopted by the Board as required from time to time, including all applicable documents; (3) exercise any of the extension options if it is in the best interest of the County; (4) replace or delete any Equipment, provided such change does not increase the Maximum Contract Sum, and (5) engage the Contractor to provide professional services and/or maintenance services for any additional hardware or additional software, using available contingency funds, with concurrence of the County's Chief Information Office (CIO), the Department's Project Management Office (PMO), and approval as to form by County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to establish an agreement with Identix to provide continued maintenance and support of the Equipment. The Agreement provides for a contingency fund for the purchase of professional services, on an as-needed basis, to allow the Equipment to be updated in response to legislative mandates, to comply with future LACRIS functionalities, and to allow the Equipment to be fully functional and up-to-date for the term of the Agreement. The contingency funds will allow for the continued development of the LiveScan system resulting from any change or modification to any system that interfaces with the LiveScan system. The contingency funds will also be used for the purchase of maintenance services, if required, for any additional hardware or additional software acquired by the Department during the term of the Agreement.

The Department is responsible for maintaining the County's fingerprint identification systems, which are comprised exclusively of Identix LiveScan devices and resident software. These LiveScan devices are used Countywide in each of the Department's Sheriff's stations, as well as each police station, criminal booking facility, the Coroner's, District Attorney's, and Probation offices, and all but two courthouses in Los Angeles County.

The Equipment captures digital images and facilitates the electronic transmission of fingerprints, palm prints, booking information, and digital booking photos to a central site located at the Department's Records and Identification Bureau, utilizing highly sophisticated and proprietary functions of the Equipment.

Implementation of Strategic Plan Goals

The services provided under this Agreement support the County's Strategic Plan, Goal 1, Operational Effectiveness, and Goal 2, Fiscal Sustainability, by allowing the Department to operate efficiently and maintain the Equipment. The Agreement allows for the delivery of an optimum level of service to law enforcement and criminal justice departments throughout the County, providing stakeholders with the ability to document and identify criminals, and solve crimes in fulfillment of their legal responsibility to the public.

FISCAL IMPACT/FINANCING

The Maximum Contract Sum of the Agreement is \$5,239,732, which includes a \$500,000 contingency fund for the purchase of as-needed professional services and maintenance services on any additional hardware or additional software acquired during the term of the Agreement. This

Agreement will be funded in whole by the Remote Access Network (RAN) Board which administers LACRIS funds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On November 18, 2008, the Board approved sole source Agreement Number 76819, with Identix, which expires on November 30, 2012.

The Agreement shall be for an initial term from December 1, 2012 through November 30, 2014, with options to extend for two additional one-year periods, for a maximum Term not to exceed four years. The annual contract sum ranges from \$1,124,507 to \$1,246,761 as set forth on Exhibit C, Equipment List and Price Schedule, of the Agreement. The hourly rate for professional services required by the County is \$180 per hour.

The Identix hardware and resident software are proprietary to, and can only be maintained by Identix. Identix does not license, authorize, or otherwise certify any third party to maintain its Equipment.

This Agreement requires the Contractor to be in compliance with all Board and Chief Executive Office (CEO) requirements.

The Agreement has been reviewed and approved as to form by County Counsel.

The CIO has reviewed and supports this Agreement.

CONTRACTING PROCESS

On March 14, 2012, the Department submitted to the Board an Advance Notification of its intent to enter into sole source negotiations with Identix. The CEO's approval of the Sole Source Checklist was received on April 3, 2012. The Agreement with Identix was procured on a sole-source basis since the Equipment is proprietary to Identix.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of this Agreement will allow the Department to continue to maintain the LiveScan Equipment located throughout the County.

CONCLUSION

Upon approval by the Board, please return two adopted copies of this Board Letter and two original executed copies of the Agreement to the Department's Contract Unit.

Sincerely,

If Contractor desires to replace, or if County, at its discretion, requires removal of, the Contractor Project Director and/or the Contractor Project Manager, Contractor shall provide County with the resume of each such proposed replacement and an opportunity to interview such person prior to such person performing any Work hereunder. County shall not unreasonably delay its approval of a replacement of the Contractor Project Director and/or the Contractor Project Manager.

4.3.2 All staff employed by and on behalf of Contractor shall be adults, 18 years of age and older, who are legally eligible to work under the laws of the United States of America and the State of California. All Contractor staff who have direct contact with County (either by telephone, electronic or written correspondence, or in person) shall be fully fluent in both spoken and written English.

5. WORK; APPROVAL AND ACCEPTANCE

5.1 General. During the Term of this Agreement, Contractor shall fully and timely perform all Work under this Agreement, including pursuant to any fully executed Change Order or Amendment, in accordance with the terms and conditions of this Agreement. Contractor acknowledges that, subject to this Section 5 (Work; Approval and Acceptance), all Work performed under this Agreement, including pursuant to any fully executed Change Order or Amendment, is payable as described in Section 8 (Prices and Fees) and Section 10 (Invoices and Payments) of this Agreement. All Work performed hereunder must have the written approval of the County Project Director or designee prior to payment thereof. In no event shall County be liable or responsible for payment of any such Work prior to written approval thereof.

5.2 Maintenance Services. During the Term of this Agreement, Contractor shall provide to County all maintenance, support, and repair services described in

Exhibit B (Statement of Work) of this Agreement with respect to the LiveScan Equipment and the System Software (collectively, "Maintenance Services"), in exchange for County's payment of the applicable fees set forth on Exhibit C (Maintenance Price Schedule and Equipment List) of this Agreement in accordance with the terms of this Agreement.

5.2.1 Notwithstanding the foregoing, with respect to LiveScan Equipment constituting Additional Hardware, Contractor shall commence providing Maintenance Services with respect to such Additional Hardware, in exchange for the fees, if any, identified in the fully executed Amendment for the provision of such Maintenance Services for Additional Hardware. County's obligation to pay fees for such Maintenance Services is as set forth in Paragraph 10.1 (Submission of Invoices) of this Agreement.

5.2.2 Also notwithstanding the foregoing, with respect to System Software constituting Additional System Software, Contractor shall commence providing Maintenance Services with respect to such Additional System Software upon County's Acceptance thereof in accordance with this Agreement, in exchange for the fees, if any, identified in the applicable fully executed Amendment for provision of such Maintenance Services for Additional System Software. County's obligation to pay fees, if any, for such Maintenance Services is as set forth in Paragraph 10.1 (Submission of Invoices) of this Agreement.

5.2.3 With respect to each model of LiveScan Equipment, Contractor shall provide Maintenance Services with respect to such model for no less than five (5) years from such model's date of last manufacture, should County elect for Contractor to provide such Maintenance Services, including, if necessary, through an extension of the Term by way of an Amendment to this Agreement in accordance with Paragraph 6 (Change Orders and Amendments) of this Agreement.

(a) With respect to each model of LiveScan Equipment, Contractor shall provide County with written notice of the date of last manufacture as and when such date is published for each model of LiveScan Equipment.

(b) The obligations set forth in this Subparagraph 5.2.3 shall not limit in any respect, Contractor's obligations under this Agreement to provide Maintenance Services for the LiveScan Equipment during the Term of this Agreement. The obligations in this Subparagraph 5.2.3 are, however, contingent upon this Agreement being in effect, including, if necessary, through County's extension of the Term by way of an Amendment to this Agreement in accordance with Section 6 (Change Notices and Amendments) of this Agreement. As an example only, if at the time of publication of a date of last manufacture with respect to a particular model of LiveScan

Equipment (and Contractor's delivery of written notice with respect thereto), there remains six (6) years on the Term of this Agreement, then Contractor is obligated to provide Maintenance Services on that model of LiveScan Equipment for the remainder of the Term of this Agreement; Contractor would not, however, be obligated to enter into any extensions of the Agreement with respect to that model beyond the expiration of the Term of this Agreement, although Contractor may always agree to do so.

- (c) As used in this Subparagraph 5.2.3, "date of last manufacture" shall mean the date that Contractor publishes as the "end of life" date for a particular model of LiveScan Equipment.

5.2.4 With respect to Additional Software, Contractor shall commence providing Maintenance Services with respect to such Additional Software, in exchange for the fees, if any, identified in the fully executed Amendment for the provision of such Maintenance Services for Additional Software. County's obligation to pay fees for such Maintenance Services is as set forth in Paragraph 10.1 (Submission of Invoices) of this Agreement.

5.3 Additional Work. Upon the (a) written request of County Project Director made at any time during the Term of this Agreement and (b) execution of an Amendment in accordance with Section 6 (Change Orders and Amendments) of this Agreement, Contractor shall provide Additional Work to County in accordance with the applicable Amendment and as otherwise required by this Agreement. Additional Work requested by County and provided by Contractor may include (1) Professional Services, including Additional System Software, and (2) Maintenance Services for any Additional Hardware, Additional Software, and/or Additional System Software.

5.3.1 Additional Work shall utilize and be capped by the aggregate amount set forth on Exhibit C (Maintenance Price Schedule and Equipment List) of this Agreement defined as "Pool Dollars." In no event shall County be obligated to pay in excess of the then available Pool Dollars for Additional Work, nor shall Contractor be required to perform any Additional Work for which there are no Pool Dollars available to pay Contractor. County's obligation to pay fees for Additional Work is as set forth in Paragraph 10.1 (Submission of Invoices) of this Agreement.

5.3.2 Upon County's request for Additional Work, Contractor shall provide to County, within seven (7) calendar days of receipt of such request, a proposed Amendment containing a written quotation of a maximum fixed price, the recommended Contractor's staff levels, a detailed description of Work to be performed under the Amendment (on a task and deliverable basis, if applicable), and any other information or documentation specified under Section 6 (Change Orders and Amendments) of this Agreement or otherwise by County Project Director. Approval of the Amendment and of

the Work to be performed thereunder shall be in accordance with Section 6 (Change Orders and Amendments) of this Agreement. Written quotations for (a) Professional Services shall use the applicable Hourly Labor Rates set forth on Exhibit C (Maintenance Price Schedule and Equipment List) of this Agreement and (b) Maintenance Services for Additional Hardware, Additional Software and/or Additional System Software shall use the rates identified on Exhibit C (Maintenance Price Schedule and Equipment List) of this Agreement, if any, for the corresponding items of LiveScan Equipment or System Software. Written quotations for all other Additional Work shall be at Contractor's then-current published rates.

5.3.3 Contractor's quotations under each proposed Amendment for Additional Work shall be valid for sixty (60) calendar days from the date of submission to County, unless such period is extended by County and Contractor.

5.3.4 With respect to Additional Work under a particular Amendment, if at any time during testing of such Additional Work, the County Project Director determines that one or more components of the Additional System Software in such Additional Work has not successfully completed the testing, County shall promptly notify Contractor in writing of such failure, specifying in detail the reasons for such failure. Contractor shall immediately commence such necessary corrections and repairs to the component(s) to permit such component(s) to be ready for retesting. Contractor shall notify County when such corrections and repairs have been completed and County, at its election, shall engage in further testing.

(a) If, following the retesting, the County Project Director makes a good faith determination that one or more components of Additional System Software continues to fail to successfully complete testing, County shall promptly notify Contractor in writing of County's election to either (i) permit Contractor to repeat the correction and repair process described in this Subparagraph 5.3.4 above or (ii) terminate this Agreement with respect to the component(s) which have not successfully completed testing.

(b) If County elects to terminate this Agreement under this Subparagraph 5.3.4 above, County shall thereafter owe Contractor no further obligations under this Agreement with respect to such affected component(s).

5.3.5 County's acceptance of Additional Work shall occur upon County's execution of Contractor's standard written form acceptance certificate after Contractor has installed and provided the agreed upon training for such Additional Work in accordance with the Amendment and any related statement of work ("Acceptance").

- 5.4 Unauthorized Work. If Contractor provides any work, other than as specified in this Agreement, including under any fully executed Change Order or Amendment, the same shall be deemed a gratuitous effort on the part of Contractor, and Contractor shall have no claim whatsoever against County.

6. CHANGE ORDERS AND AMENDMENTS

- 6.1 No representative of either County or Contractor, including those named in this Agreement, is authorized to make any changes in any of the terms, obligations, or conditions of this Agreement, except through the procedures set forth in this Section 6 (Change Orders and Amendments).
- 6.2 County reserves the right to change any portion of the Work required under this Agreement, or amend such other terms and conditions, as may become necessary. Any such revision shall be accomplished in the following manner:
- 6.2.1 Using a Change Order executed by both the County Project Director and the Contractor Project Director for:
- (a) Any change which is clerical or administrative in nature (for example: changes to Contractor or County contact information, or to correct or clarify any published statement, other clerical corrections, etc.); or
 - (b) Any change which does not materially affect the scope of Work, period of performance, amount of payments, or any other term or condition included under this Agreement.
- 6.2.2 Using an Amendment executed by the Sheriff and an authorized representative of Contractor for:
- (a) Any change which engages Contractor to provide (1) Professional Services, including Additional System Software, and/or (1) Maintenance Services for any Additional System Software, Additional Hardware, and/or Additional Software, using available Pool Dollars, provided such change has the approval of the RAN Board, concurrence of the County's Chief Information Office, the Department's Project Management Office (PMO), and approval as to form by County Counsel;
 - (b) Any change which deletes equipment or replaces equipment and does not increase the Maximum Contract Sum, provided such change has the approval as to form by County Counsel;
 - (b) Any change involving an Option Term extension of this Agreement pursuant to Paragraph 7.2 below;

- (c) Any change which provides consent as set forth in Section 39.0 (Assignment by Contractor) of Exhibit A (Additional Terms and Conditions) of this Agreement and makes any amendments related thereto; or
- (d) Any addition and/or change of certain terms and conditions in the Agreement during the term of this Agreement, as required by the Board of the County's Chief Executive Officer or designee. County hereby reserves the right to add and/or change such provisions as required by the Board or County's Chief Executive Officer.

6.2.3 Notwithstanding any other provision of this Section 6 (Change Orders and Amendments) or Section 6.0 (Termination for Convenience) of Exhibit A (Additional Terms and Conditions) of this Agreement, the Sheriff shall take all appropriate action to carry out any orders of the Board of Supervisors relating to this Agreement, and, for this purpose, the Sheriff or such person's designee is authorized to: (1) issue written notice(s) of partial or total termination of this Agreement pursuant to Section 6.0 (Termination for Convenience) of Exhibit A (Additional Terms and Conditions) of this Agreement without further action by the Board of Supervisors and/or (2) prepare and sign Amendments to this Agreement which reduce the scope of work and the Maximum Contract Sum without further action by the Board of Supervisors.

- (a) Such notices of partial or total termination shall be authorized under the following conditions:
 - (i) Notices shall be in compliance with all applicable Federal, State, and County laws, rules, regulations, ordinances, guidelines, and directives.
 - (ii) Notices shall have the written concurrence of County Counsel.
 - (iii) The Sheriff shall file a copy of all notices with the Executive Office of the Board of Supervisors and County's Chief Executive Office within fifteen (15) calendar days after execution of each notice.
- (b) Such Amendments shall be authorized under the following conditions:
 - (i) Amendments shall be in compliance with all applicable Federal, State, and County laws, rules, regulations, ordinances, guidelines, and directives.
 - (ii) The Board of Supervisors has appropriated sufficient funds for purposes of such Amendments and this Agreement.

- (iii) Amendments shall have the written concurrence of County Counsel.
- (iv) The Sheriff shall file a copy of all Amendments with the Executive Office of the Board of Supervisors or its designee and County's Chief Executive Office within fifteen (15) calendar days after execution of each Amendment.

6.2.4 Using an Amendment executed by County's Board of Supervisors and an authorized representative of Contractor for any change other than as described in Subparagraphs 6.2.1-6.2.3 above.

6.3 Audit of Change Order Work

County is entitled to audit, in accordance with Section 41.0 (Records and Audits) of Exhibit A (Additional Terms and Conditions) of this Agreement, Contractor's compliance with this Section 6 (Change Orders and Amendments) with respect to Work performed pursuant to any fully executed Change Order.

7. TERM

- 7.1 The term of this Agreement shall commence December 1, 2012 and shall terminate on November 30, 2014 (the "Initial Term"), unless terminated earlier in whole or in part, as provided in this Agreement.
- 7.2 The County has the option to extend the term of this Agreement for up to two (2) additional one (1) year periods (each an "Option Term"), for a total term not to exceed four (4) years. Each such extension shall be in the form of a written Amendment pursuant to Subparagraph 6.2.2 above. As used herein, the "Term" shall mean the Initial Term and, if extended, each Option Term, as the case may be.
- 7.3 The County maintains databases that track/monitor contractor performance history. Information entered into such databases may be used for a variety of purposes, including determining whether the County will exercise a contract term extension option.
- 7.4 Contractor shall notify the Department when this Agreement is within six (6) months from the expiration of the Term as provided for hereinabove. Upon occurrence of this event, Contractor shall send written notification to the County Project Director at the address herein provided in Subparagraph 3.1.1 of this Agreement.

8. PRICES AND FEES

- 8.1 The Maximum Contract Sum for this Agreement, inclusive of Pool Dollars, authorized by County hereunder shall in no event, expressly or by implication,

exceed \$5,239,732.00, which shall be allocated as set forth in Exhibit C (Maintenance Price Schedule and Equipment List) of this Agreement.

- 8.2 The prices and fees payable by County to Contractor for Contractor's performance of all Maintenance Services (other than for Additional Work, which is described below) shall be as set forth on Exhibit C (Maintenance Price Schedule and Equipment List) of this Agreement.
- 8.3 The Hourly Labor Rate for Professional Services shall be as set forth on Exhibit C (Maintenance Price Schedule and Equipment List) of this Agreement.
- 8.4 All prices, fees, and rates set forth on Exhibit C (Maintenance Price Schedule and Equipment List) of this Agreement shall be firm and fixed for the Term of this Agreement.
- 8.5 Subject to Subparagraph 5.3.3 of this Agreement, the prices and fees for Additional Work shall be as set forth in the applicable fully executed Amendment, which is payable as described in Subparagraph 10.1.2 below.
- 8.6 Contractor shall not be entitled to payment or reimbursement for any tasks, deliverables, goods, services and any other work, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified in this Agreement.

9. COUNTY'S OBLIGATION FOR FUTURE FISCAL YEARS

- 9.1 Notwithstanding any other provision of this Agreement, either expressly or by implication, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future fiscal years unless and until the Board appropriates funds for this Agreement in County's budget for each such future fiscal year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated and such termination shall be deemed a termination for convenience pursuant to Section 6.0 (Termination for Convenience) of Exhibit A (Additional Terms and Conditions) of this Agreement. County shall endeavor to notify Contractor in writing of any such non-appropriation of funds at the earliest possible date.

10. INVOICES AND PAYMENTS

10.1 Submission of Invoices

10.1.1 For Maintenance Services, all invoices shall be submitted on a monthly basis in arrears for Maintenance Services performed the previous month.

- (a) In the case of Additional System Software, County shall owe no additional fees for Contractor's

provision of Maintenance Services for Additional System Software, unless otherwise specified in the applicable Amendment. If additional fees are specified, Contractor invoicing for Maintenance Services for Additional System Software shall commence upon the second month following County's Acceptance of such Additional System Software in accordance with this Agreement.

10.1.2 For Additional Work performed pursuant to an Amendment (other than Maintenance Services, which is described in Paragraph 10.1.1 above), all invoices shall be submitted as follows:

- (a) Additional System Software: Unless otherwise specified in the Amendment, Contractor shall submit invoices for the purchase price of such Additional System Software after delivery of such Additional System Software and County shall pay properly prepared invoices for the same within thirty (30) calendar days of County's Acceptance of such Additional System Software.
- (b) Professional Services: Unless otherwise specified in the applicable Amendment, Contractor shall submit invoices for Professional Services after delivery of such Professional Services and County shall pay properly prepared invoices for the same within thirty (30) calendar days of County's Acceptance of such Professional Services.

10.1.3 All invoices submitted by Contractor for payment must have the written approval of County Project Director or designee, as evidenced by County Project Director's or designee's countersignature on the applicable invoice, prior to any payment thereof; such written approval shall not be unreasonably withheld. In no event shall County be liable or responsible for any payment prior to such written approval.

10.2 Detail. Each invoice submitted by Contractor shall include:

- (a) County's Agreement number;
- (b) Billing period and date;
- (c) Service location(s);

- (d) Evidence of County's written approval of the applicable Work; and
- (e) If for Additional Work (Section 5.3), a copy of the applicable Amendment and the amount of Pool Dollars available with both before and after totals, including the invoice amount.

10.3 Submission Addresses

Contractor shall submit an original invoice, addressed as shown below with the attention to the County Project Director:

Fiscal Administration, Special Accounts, Rm.366
4700 Ramona Boulevard
Monterey Park, California 91754

10.4 No Out-of-Pocket Expenses

Contractor acknowledges that out-of-pocket expenses, including travel, meal, and lodging expenses, are not reimbursable by County. Accordingly, Contractor's invoices shall not include out-of-pocket expenses.

10.5 Contractor Responsibility

Contractor is responsible for the accuracy of invoices submitted to County. Further, it is the responsibility of Contractor to reconcile or otherwise correct inaccuracies or inconsistencies in the invoices submitted by Contractor.

10.6 Invoice Discrepancy Report

The County Project Manager or designee shall review all invoices for any discrepancies and issue an "Invoice Discrepancy Report" (or "IDR") to Contractor within ten (10) calendar days of receipt of invoice if payment amounts are disputed. Contractor shall review the disputed charges and submit to the County Project Manager a written explanation detailing the basis for the charges within ten (10) calendar days of receipt of the IDR from the County Project Manager. If the County Project Manager does not receive a written response from Contractor

within ten (10) calendar days of County's notice to Contractor of an IDR, then County payment will be made, less the disputed charges.

10.7 County's Right to Withhold

In addition to any rights of County provided in this Agreement, or at law or in equity, County may, upon notice to Contractor, withhold payment for any disputed Work while Contractor is in default hereunder, or at any time that Contractor has not provided County approved Work.

11. OWNERSHIP AND LICENSE

11.1 County owns and/or has license rights to the LiveScan Equipment and System Software installed and operated by the Department as of the effective date of this Agreement, pursuant to the terms of the original purchase order(s) for such LiveScan Equipment.

11.2 Licenses for Additional Work

11.2.1 Subject to the terms and conditions contained herein and any use restrictions set forth in the applicable end user license agreement, Contractor grants to County a non-exclusive, non-transferrable, perpetual license to use the Additional System Software in accordance with the terms of this Agreement.

(a) With respect to Additional System Software, the terms of Contractor's end user license agreement which applies to the Additional System Software shall govern the County's use of the Additional System Software. Contractor shall provide true and complete copies of the applicable end user license agreements prior to County's Acceptance of such Additional System Software.

12. REPLACEMENT PRODUCTS

12.1 If during the remainder of the Term of this Agreement, Contractor assigns or transfers this Agreement to a permitted assignee and subsequent to such assignment, Contractor or the assignee communicates to County the assignee's decision to discontinue any of its Support (as defined in this Paragraph 12.1) of the LiveScan Equipment and/or System Software at any time during the remainder of the Term of this Agreement, then County, at its option and without limiting or altering its rights under the License, may require that Contractor or its permitted assignee replace the LiveScan Equipment and System Software with similar LiveScan and system software products that are currently supported by Contractor or its permitted assignee (in this Section 12 (Replacement Products) defined as "Replacement Products") at no additional cost to County.

- 12.2 In this Section 12 (Replacement Products), the term "Support" shall mean all required remedial and preventative maintenance Work on the LiveScan and/or System Software during the term of this Agreement.
- 12.3 The assignee, by taking benefit (including, without limitation, acceptance of any payment under this Agreement) shall be deemed to have ratified this Section 12 (Replacement Products). All terms and conditions of this Agreement shall continue in full force and effect for the Replacement Product. In addition, the following terms and conditions shall apply if Replacement Products are provided by Contractor or assignee:
- 12.3.1 Contractor, or permitted assignee, shall, at no cost to County and in accordance with a reasonable schedule determined by County, provide license for and implement the Replacement Product, convert and migrate all of County's data from the System Software format to the Replacement Product format to ensure County is able to use such Replacement Product in production;
- 12.3.2 Any prepaid fees for Maintenance Services shall transfer in full force and effect for the balance of the Replacement Product's Maintenance Services, at no additional cost. Contractor or Contractor's permitted assignee, as the case may be, shall continue to provide Maintenance Services for the Replacement Product in exchange for the fees for Maintenance Services under this Agreement for the balance of the term of this Agreement;
- 12.3.3 All County users and support personnel shall receive reasonable training for purposes of learning the Replacement Product. Training shall be provided at no additional cost to County;
- 12.3.4 Any and all units of the Replacement Product or otherwise offered separately, and needed to match the original LiveScan Equipment's and System Software's level of functionality or specifications shall be supplied by Contractor's permitted assignee without additional cost or penalty and shall not affect the calculation of any fees for Maintenance Services;
- 12.3.5 All license terms and conditions shall remain as granted herein with no additional fees imposed on County; and
- 12.3.6 The definitions of "LiveScan Equipment" and "System Software" shall then include the Replacement Product.

13. LIQUIDATED DAMAGES

- 13.1 Without limiting the County's remedies available elsewhere herein, if the County Project Director determines that there are deficiencies in the performance of this Agreement, the County Project Director will provide a written notice to Contractor

to correct the deficiency within specified time frames. Should Contractor fail to correct deficiencies within said time frame, the County Project Director may:

13.1.1 Deduct from Contractor's payment, pro rata, those applicable portions of the monthly contract sum; and/or

13.1.2 Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is eight hundred dollars (\$800) per day per infraction, or as specified in the Exhibit J (Performance Requirements Summary (PRS) Chart) of this Agreement, and that Contractor shall be liable to County for liquidated damages in the said amount. Said amount shall be deducted from County's payment to Contractor; and/or

13.1.3 Upon giving ten (10) Business Days notice to Contractor for failure to correct the deficiencies, County may correct any and all deficiencies and the total costs incurred by County for completion of the Work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from County, as determined by County.

13.2 The action noted in Paragraph 13.1 shall not be construed as a penalty, but as an adjustment of payment to Contractor to recover County cost due to the failure of Contractor to complete or comply with the provisions of this Agreement.

13.3 This Section 13 shall not, in any manner, restrict or limit County's right to damages for any breach of this Agreement provided by law or as specified in the PRS or Paragraph 13.1, and shall not, in any manner, restrict or limit County's right to terminate the Agreement as agreed to herein.

14. NOTICES

14.1 All notices or demands required or permitted to be given or made under this Agreement, unless otherwise specified, shall be in writing and shall be addressed to the parties at the following addresses and delivered: (a) by hand with signed receipt; (b) by first-class registered or certified mail, postage prepaid; (c) by facsimile transmission followed within twenty-four (24) hours by a confirmation copy mailed by first-class registered or certified mail, postage prepaid; or (d) by overnight commercial carrier, with signed receipt. ADDITIONAL TERMS AND CONDITIONS

The following additional terms and conditions are applicable to, and form a part of, the Agreement. Capitalized terms in this Exhibit A (Additional Terms and Conditions) not otherwise defined herein shall have the meanings given to such terms in Section 2 (Definitions) of the Agreement.

1.0 SUBCONTRACTING

1.1 General

County has relied, in entering into the Agreement, on the reputation of, and on obtaining the personal performance of Contractor itself. Consequently, no performance of the Agreement, or any portion thereof, shall be subcontracted by Contractor except in accordance with the procedures set forth in Section 1.0 (Subcontracting). Any attempt by Contractor to subcontract any performance, obligation, or responsibility under the Agreement, except in accordance with the procedures set forth in this Section 1.0 (Subcontracting), shall be null and void and shall constitute a material breach of the Agreement, upon which County may immediately terminate the Agreement.

1.2 Procedure for Subcontracting

If Contractor desires to subcontract any portion of its performance, obligations, or responsibilities under the Agreement to any subcontractor, Contractor shall adhere to the following procedures:

- 1.2.1 Contractor shall notify the County Project Director of its desire to subcontract a portion of the Work, which notice shall include the reason for the proposed subcontract, and a description of the Work to be performed under the proposed subcontract.
- 1.2.2 The identity of such subcontractor and why such subcontractor was selected.
- 1.2.3 A certificate of insurance from the proposed subcontractor which establishes that the subcontractor maintains all the programs of insurance required by the Agreement.
- 1.2.4 If the proposed Work is to be performed by a subcontractor, then in addition to the foregoing, Contractor shall provide:
 - i. A draft copy of the proposed subcontract. The material provisions of any approved subcontract between Contractor and a third party

may be changed or amended, as applicable, only with the prior written approval of the County Project Director, which approval shall not be unreasonably withheld; and

- ii. Any other information and/or certifications reasonably requested by County.

The County Project Director will review Contractor's request to subcontract and determine, in his discretion, whether or not to consent to such request on an individual basis. Without limiting in any way County's prior approval rights, Contractor shall deliver to the County Project Director a fully executed copy of each subcontract entered into by Contractor pursuant to this Subparagraph 1.2.4, on or immediately after the effective date of the subcontract, but in no event later than the date any Work is performed under the subcontract.

- 1.2.5 Contractor shall obtain an executed Contractor Non-Employee Acknowledgment and Confidentiality Agreement, attached as Exhibit E2 of the Agreement, for each of subcontractor's employees performing Work under the subcontract. Such completed forms shall be delivered to the County Project Director on or immediately after the effective date of the particular subcontract but in no event later than the date any such employee commences performing Work under the subcontract.

1.3 Contractor Responsibilities

- 1.3.1 Notwithstanding any County consent to any subcontracting, Contractor shall remain responsible for any and all performance required of it under the Agreement, including the obligation to properly supervise, coordinate, and perform all Work required hereunder, and no subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not be construed to limit in any way Contractor's performance, obligations, or responsibilities to County.
- 1.3.2 In the event that County consents to any subcontracting, such consent shall be subject to County's right to reject any and all subcontractor personnel providing services under such subcontract.
- 1.3.3 In the event that County consents to any subcontracting, Contractor shall cause the subcontractor, on behalf of itself, its successors and administrators, to assume and be bound by, and shall be deemed to have assumed and agreed to be bound by, each and all of the provisions of the Agreement and any fully executed Change Order or Amendment hereto as it relates to or affects the Work performed by subcontractor hereunder.

- 1.3.4 Contractor shall be solely liable and responsible for any and all payments and other compensation to all subcontractors and their officers, employees, and agents. County shall have no liability or responsibility whatsoever for any payment or other compensation for any subcontractors or their officers, employees, and agents.

2.0 DISPUTE RESOLUTION PROCEDURE

2.1 General

Contractor and County agree to act immediately to resolve mutually any disputes that may arise with respect to the Agreement. All such disputes shall be subject to the provisions of this Paragraph 2.0 (Dispute Resolution Procedure) (such provisions are collectively referred to as the "Dispute Resolution Procedures"). Time is of the essence in the resolution of disputes.

2.2 Continued Work

Contractor and County agree that, the existence and details of a dispute notwithstanding, both parties shall continue without delay their performance hereunder, except for any performance, other than payment by County for approved Work, which the parties mutually determine should be delayed as a result of such dispute.

2.2.1 If Contractor fails to continue without delay its performance hereunder that County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs which may be incurred by Contractor or County as a result of Contractor's failure to continue to so perform shall be borne by Contractor, and Contractor shall make no claim whatsoever against County for such costs. Contractor shall promptly reimburse County for such County costs, as determined by the County, or County may deduct or offset all such additional costs from any amounts due to Contractor from County.

2.2.2 If County fails to continue without delay to perform its responsibilities under the Agreement which County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs incurred by Contractor or County as a result of County's failure to continue to so perform shall be borne by County, and County shall make no claim whatsoever against Contractor for such costs. County shall promptly reimburse Contractor for all such additional Contractor costs subject to the approval of such costs by County.

2.3 Dispute Resolution Procedures

In the event of any dispute between the parties with respect to the Agreement, Contractor and County shall submit the matter as follows:

- 2.3.1 Contractor and County shall first submit the matter to their respective Project Managers for the purpose of endeavoring to resolve such dispute.
- 2.3.2 If the County Project Manager and the Contractor Project Manager are unable to resolve the dispute within a reasonable time, not to exceed five (5) Business Days from the date of submission of the dispute, then the matter immediately shall be submitted to the parties' respective Project Directors for further consideration and discussion to attempt to resolve the dispute.
- 2.3.3 If the County Project Director and the Contractor Project Director are unable to resolve the dispute within a reasonable time not to exceed five (5) Business Days from the date of submission of the dispute, then the matter shall be immediately submitted to Contractor's president or chief operating officer and the Sheriff. These persons shall have five (5) Business Days to attempt to resolve the dispute.
- 2.3.4 In the event that at these levels, there is not a resolution of the dispute acceptable to both parties, then each party may assert its other rights and remedies provided under the Agreement and its rights and remedies as provided by law.

2.4 Documentation of Dispute Resolution Procedures

All disputes utilizing the Dispute Resolution Procedure shall be documented in writing by each party and shall state the specifics of each alleged dispute and all actions taken. The parties shall act in good faith to resolve all disputes. At all three (3) levels described in Paragraph 2.3 (Dispute Resolution Procedure), the efforts to resolve a dispute shall be undertaken by conference between the parties' respective representatives, either orally, by face-to-face meeting or by telephone, or in writing by exchange of correspondence.

2.5 Not Applicable to County's Right to Terminate

Notwithstanding any other provision of the Agreement, County's right to terminate the Agreement pursuant to Section 4.0 (Termination for Insolvency), Section 5.0 (Termination for Default), Section 6.0 (Termination for Convenience), or Section 7.0 (Termination for Improper Consideration) of this Exhibit A (Additional Terms and Conditions) or any other termination provision under this Agreement, shall not be subject to the Dispute Resolution Procedure. The preceding sentence is intended only as a clarification of County's rights, and shall

not be deemed to impair any claims that Contractor may have against County or Contractor's rights to assert such claims after any such termination or such injunctive relief has been obtained.

3.0 CONFIDENTIALITY

3.1 General

- 3.1.1 Contractor shall maintain the confidentiality of all records and information, events, or circumstances which occur during the course of Contractor's performance under the Agreement, in accordance with all applicable federal, state, and local laws, rules, regulations, ordinances, guidelines, policies and procedures, and directives relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.
- 3.1.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with this Section 3.0 (Confidentiality), as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Section 3.0 (Confidentiality) shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.
- 3.1.3 Contractor shall inform all of its directors, officers, shareholders, employees, subcontractors and agents providing services hereunder of the confidentiality provisions of this Agreement. Contractor shall provide to County an executed Exhibit E1 (Contractor Employee Acknowledgement and Confidentiality Agreement) of the Agreement for each of its employees performing Work under the Agreement and an executed Exhibit E2 (Contractor Non-Employee Acknowledgment and

Confidentiality Agreement) of the Agreement for each of its employees performing Work under the Agreement. Notwithstanding anything herein to the contrary, Contractor acknowledges and agrees that it is responsible for any breach of the obligations of confidentiality set forth herein by any person, or entity to which Contractor discloses such confidential information.

3.2 Disclosure of Information

- 3.2.1 With respect to any confidential information obtained by Contractor pursuant to the Agreement, Contractor shall: (a) not use any such records or information for any purpose whatsoever other than carrying out the express terms of the Agreement; (b) promptly transmit to County all requests for disclosure of any such records or information; (c) not disclose, except as otherwise specifically permitted by the Agreement, any such records or information to any person or organization other than County without County's prior written authorization that the records are, or information is, releasable; and (d) at the expiration or termination of the Agreement, return all such records and information to County or maintain such records and information according to the written procedures sent to Contractor by County for this purpose.
- 3.2.2 Without limiting the generality of Subparagraph 3.2.1 of this Exhibit A (Additional Terms and Conditions), in the event Contractor receives any court or administrative agency order, service of process, or request by any person or entity (other than Contractor's professionals) for disclosure of any such details, Contractor shall immediately notify the County Project Director. Thereafter, Contractor shall comply with such order, process, or request only to the extent required by applicable law. Notwithstanding the preceding sentence, to the extent permitted by law, Contractor shall delay such compliance and cooperate with County to obtain relief from such obligations to disclose until County shall have been given a reasonable opportunity to obtain such relief.

3.3 Contractor Information

Any and all confidential or proprietary information which is developed or was originally acquired by Contractor outside the scope of this Agreement, which Contractor desires to use hereunder, and which Contractor considers to be proprietary or confidential, must be specifically identified by Contractor to the County Project Director as proprietary or confidential, and shall be plainly and prominently marked by Contractor as "proprietary" or "confidential." County shall undertake reasonably to maintain the confidentiality of materials marked by Contractor as "proprietary" or "confidential." Notwithstanding any other provision

of this Agreement, County shall not be obligated in any way under this Agreement for:

- 3.3.1 Any of Contractor's proprietary and/or confidential materials not plainly and prominently marked with restrictive legends;
- 3.3.2 Any disclosure of any materials which County is required to make under the California Public Records Act or otherwise by law; and
- 3.3.3 Any materials indicating the volume, frequency, and type of goods and services provided by Contractor, including, but not limited to use under Section 24.0 (Re-solicitation of Bids, Proposals, or Information) of this Exhibit A (Additional Terms and Conditions).

3.4 Use of County Name

In recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publishing its role under the Agreement within the following conditions:

- 3.4.1 Contractor shall develop all publicity material in a professional manner.
- 3.4.2 During the Term of the Agreement, Contractor shall not publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of the County Project Director, which shall not be unreasonably withheld or delayed.
- 3.4.3 Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded the Agreement with County, provided that the requirements of this Paragraph 3.4 (Use of County Name) (other than the requirements set forth in Subparagraph 3.4.2 above) shall apply.
- 3.4.4 Notwithstanding anything herein to the contrary, County reserves the right to object to any use of County's name and Contractor shall cure promptly and prospectively any use of County's name that has been objected to by County.

3.5 Injunctive Relief

Contractor acknowledges that a breach by Contractor of this Section 3.0 (Confidentiality) may result in irreparable injury to County that may not be adequately compensated by monetary damages and that, in addition to County's other rights under the Agreement and at law and in equity, County shall have the

right to injunctive relief to enforce the provisions of this Section 3.0 (Confidentiality).

4.0 TERMINATION FOR INSOLVENCY

- 4.1 County may terminate the Agreement immediately at any time following the occurrence of any of the following:
- 4.1.1 Contractor has ceased to pay or has admitted in writing its inability to pay its debts for at least sixty (60) calendar days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the United States Bankruptcy Code and whether or not Contractor is insolvent within the meaning of the United States Bankruptcy Code, provided that Contractor shall not be deemed insolvent if it has ceased in the normal course of business to pay debts that Contractor disputes in good faith;
 - 4.1.2 The filing of a voluntary or involuntary petition (which involuntary petition is not dismissed within sixty (60) calendar days) regarding Contractor under the United States Bankruptcy Code;
 - 4.1.3 The appointment of a receiver or trustee for Contractor; or
 - 4.1.4 The execution by Contractor of a general assignment for the benefit of creditors other than in the course of arranging financial lines of credit.
- 4.2 The rights and remedies of County provided in this Section 4.0 (Termination for Insolvency) shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Agreement.
- 4.3 Contractor agrees that if Contractor as a debtor-in-possession, or if a trustee in bankruptcy, rejects the Agreement, County may elect to retain its rights under the Agreement, as provided under Section 365(n) of the United States Bankruptcy Code (11 U.S.C. Section 365(n)). Upon written request by County to Contractor or the trustee in bankruptcy, as applicable, Contractor or such trustee shall allow County to exercise all of its rights and benefits under the Agreement. The foregoing shall survive the termination or expiration of the Agreement for any reason whatsoever.

5.0 TERMINATION FOR DEFAULT

- 5.1 County may, by written notice to Contractor, terminate the whole or any part of this Agreement, if, in the judgment of County's Project Director:
- Contractor has materially breached this Agreement; or

- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Agreement; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Agreement, or of any obligations of this Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) Business days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

5.2 In the event that County terminates this Agreement in whole or in part as provided in Paragraph 5.1, County may procure, upon such terms and in such manner as County may deem appropriate, goods and services similar to those so terminated. Contractor shall be liable to County for any and all excess costs incurred by County, as determined by County, for such similar goods and services. Contractor shall continue the performance of this Agreement to the extent not terminated under the provisions of this Section 5.0 (Termination for Default).

5.3 If, after County has given notice of termination under the provisions of this Paragraph 5.0 (Termination for Default), it is determined by County that Contractor was not in default under the provisions of this Section 5.0 (Termination for Default), the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Section 6.0 (Termination for Convenience).

5.4 The rights and remedies of County provided in this Section 5.0 (Termination for Default) shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

6.0 TERMINATION FOR CONVENIENCE

6.1 Termination for Convenience

The Agreement may be terminated, in whole or in part from time to time, by County in its sole discretion for any reason. Termination of Work hereunder shall be effected by delivery to Contractor of a notice of termination specifying the extent to which performance of Work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than thirty (30) calendar days after notice.

6.2 No Prejudice; Sole Remedy

Nothing in this Section 6.0 (Termination for Convenience) is deemed to prejudice any right of Contractor to make a claim against the County in accordance with

this Agreement and applicable law and County procedures for payment for Work through the effective date of termination. Contractor, however, acknowledges that the rights and remedies set forth in this Paragraph 6.2 (No Prejudice; Sole Remedy) shall be the only remedy available to Contractor in the event of a termination or suspension pursuant to this Section 6.0 (Termination for Convenience) by County.

7.0 TERMINATION FOR IMPROPER CONSIDERATION

- 7.1 County may, upon written notice to Contractor, immediately terminate the right of Contractor to proceed under the Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.
- 7.2 Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 7.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.0 EFFECT OF TERMINATION

8.1 Remedies

In the event that County terminates the Agreement in whole or in part as provided in Section 4.0 (Termination for Insolvency), Section 5.0 (Termination for Default), Section 6.0 (Termination for Convenience), or Section 7.0 (Termination for Improper Consideration) of this Exhibit A (Additional Terms and Conditions), then:

- 8.1.1 Contractor shall (a) stop performing Work under the Agreement on the date and to the extent specified in such notice, (b) promptly transfer and deliver to County copies of all completed Work and Work that is in process, in a media reasonably requested by County, (c) promptly transfer and deliver all items previously paid for by County, and (d) complete performance of such part of the Work as shall not have been terminated by such notice;

- 8.1.2 Unless County has terminated the Agreement pursuant to Section 6.0 (Termination for Convenience) of this Exhibit A (Additional Terms and Conditions), County shall have the right to procure, upon such terms and in such a manner as County may determine appropriate, goods, services, and other Work, similar and competitive to those so terminated, and Contractor shall be liable to County for, and shall promptly pay to County by cash payment, any and all excess costs reasonably incurred by County, as determined by County, to procure and furnish such similar goods, services, and other Work;
- 8.1.3 Contractor shall promptly return to County any and all of County's confidential information that relates to that portion of the Agreement or Work terminated by County;
- 8.1.4 Contractor shall tender promptly payment to County, and shall continue to tender payment for the duration of any liquidated damages levied pursuant to Section 13.0 (Liquidated Damages) of the Agreement, to the extent applicable; and
- 8.1.5 Contractor and County shall continue the performance of the Agreement to the extent not otherwise terminated.

8.2 Transition Services

Contractor agrees that in the event of any termination of the Agreement, as a result of the breach hereof by either party, or for any other reason, including expiration, Contractor shall fully cooperate with County in the transition by County to a new contractor, so that there shall be no interruption of the County's day to day operations due to the unavailability of the Work during such transition. Contractor agrees that if County terminates the Agreement pursuant to Section 5.0 (Termination for Default) or Section 6.0 (Termination for Convenience) of this Exhibit A (Additional Terms and Conditions), Contractor shall perform transition services, and shall invoice County for such transition services determined in accordance with the rates specified in Exhibit C (Maintenance Price Schedule and Equipment List) of the Agreement, and the agreed upon maximum amount in accordance with a transition plan to be agreed upon, in advance, by the County Project Director and the Contractor Project Director. Contractor further agrees that in the event that County terminates the Agreement for any other breach by Contractor, Contractor shall perform transition services at no cost to County. In connection with the provision of any transition services pursuant to this Paragraph 8.2 (Transition Services), Contractor shall provide to the County Project Director, upon request by the County Project Director, documentation that reasonably details the source and amount of the expenses Contractor purports to have incurred in the provision of such transition services.

8.3 Remedies Not Exclusive

The rights and remedies of County set forth in this Section 8.0 (Effect of Termination) are not exclusive of any other rights and remedies available to County at law or in equity, or under the Agreement.

9.0 WARRANTY AGAINST CONTINGENT FEES

9.1 Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

9.2 For breach of this warranty, County shall have the right to terminate the Agreement and, in its discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

10.0 AUTHORIZATION WARRANTY

Contractor and the person executing the Agreement on behalf of Contractor hereby represent and warrant that the person executing the Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of the Agreement and that all requirements of Contractor have been fulfilled to provide such actual authority.

11.0 FURTHER WARRANTIES

In addition to the warranties elsewhere in this Agreement, Contractor represents, warrants, and further covenants and agrees to the following:

11.1 Contractor bears the full risk of loss due to total or partial destruction of all or any part of any goods acquired from Contractor, as applicable, until acceptance by the County.

11.2 At the time of delivery to and acceptance by County, all goods shall be new, in good working order, in conformity with manufacturer's published specifications and descriptions, and free from defects in workmanship and materials, as determined by County.

11.3 Contractor shall, in the performance of all Work, strictly comply with the descriptions and representations (including performance capabilities, accuracy, completeness, characteristics, specifications, configurations, standards, functions, and requirements) as set forth in this Agreement, including Exhibit B (Statement of Work).

- 11.4 All Work shall be performed in a timely and professional manner by qualified personnel.

- 11.7 The Livescan Equipment, System Software, Additional Software and all components thereof shall interface and be compatible with each other.
- 11.8 Contractor shall not cause any unplanned interruption of the operations of, or accessibility to the Livescan Equipment, System Software, Additional Software or any component thereof through any virus, device, method or means including the use of any "virus," "lockup," "time bomb," or "key lock," "worm," device or program, or disabling code (in this Paragraph 11.10 each a "Disabling Device"), which has the potential or capability of compromising the security of County's confidential or proprietary information or of causing any unplanned interruption of the accessibility of the Livescan Equipment, System Software, Additional Software or any component thereof by County or any user or which could alter, destroy, or inhibit the use of the Livescan Equipment, System Software, Additional Software, any component thereof, or the data contained therein. Contractor represents, warrants, and agrees that it has not purposely placed, nor is it aware of, any Disabling Device on the Livescan Equipment, System Software, Additional Software or any component thereof provided to County under the Agreement, nor shall Contractor knowingly permit any subsequently delivered component to contain any Disabling Device.
- 11.9 Without limiting Contractor's obligations to provide Maintenance Services with respect to Additional System Software, the Additional System Software is provided on an "AS-IS" basis without warranty of any kind.
- 11.10 Contractor shall assign to County to the fullest extent permitted by law or by agreement and shall otherwise ensure that the benefits of any applicable warranty or indemnity offered by any manufacturer of any third party product or service provided hereunder shall fully extend to and be enjoyed by County.
- 11.11 THE WARRANTIES CONTAINED IN THIS SECTION 11 (FURTHER WARRANTIES) AND ALL OTHER WARRANTIES IN THE AGREEMENT ARE EXPRESSED IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED, STATUTORY, OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS AND THEIR EQUIVALENTS

UNDER THE LAWS OF ANY JURISDICTION, AND IT NEITHER ASSUMES NOR AUTHORIZES ANY OTHER PERSON TO ASSUME FOR CONTRACTOR ANY OTHER LIABILITIES IN CONNECTION WITH THE SAID ARTICLES. These warranties shall not apply to any of such products or services that shall have been repaired or altered, except by Contractor or as approved by Contractor, or to any products which have been altered or modified other than by Contractor or as approved by Contractor.

12.0 INDEMNIFICATION AND INSURANCE

12.1 Indemnification

The Contractor shall indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with the Contractor's acts and/or omissions arising from and/or relating to the Agreement.

12.2 General Provisions for All Insurance Coverage

Without limiting Contractor's indemnification of County, and in the performance of the Agreement and until all of its obligations pursuant to the Agreement have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in this Paragraph 12.2 (General Provisions for All Insurance Coverage) and Paragraph 12.3 (Insurance Coverage) below. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to the Agreement. County in no way warrants that the Required Insurance is sufficient to protect Contractor for liabilities which may arise from or relate to the Agreement.

12.2.1 Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, shall be delivered to County at the address shown below and provided prior to commencing services under the Agreement.
- Renewal Certificates shall be provided to County not less than ten (10) calendar days prior to Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any

required Contractor and/or subcontractor insurance policies at any time.

- Certificates shall identify all Required Insurance coverage types and limits specified herein, reference the Agreement by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of Contractor identified as the contracting party in the Agreement. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand (\$50,000.00) dollars, and list any County required endorsement forms.
- Neither County's failure to obtain, nor County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.
- Certificates and copies of any required endorsements shall be sent to:

Los Angeles County Sheriff's Department
Contracts Unit
4700 Ramona Boulevard, Room 214
Monterey Park, California 91754
Attention: Contract Compliance Manager

- Contractor also shall promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor also shall promptly notify County of any third party claim or suit filed against Contractor or any of its sub-contractors which arises from or relates to the Agreement, and could result in the filing of a claim or lawsuit against Contractor and/or County.

12.2.2 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively "County and its Agents") shall be provided additional insured status under Contractor's

General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of County. County's and its Agents' additional insured status shall apply with respect to liability and defense of suits arising out of Contractor's acts or omissions, whether such liability is attributable to Contractor or to County. The full policy limits and scope of protection also shall apply to County and its Agents as an additional insured, even if they exceed County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

12.2.3 Cancellation of or Changes in Insurance

Contractor shall provide County with, or Contractor's insurance policies shall contain a provision that County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to County at least ten (10) calendar days in advance of cancellation for non-payment of premium and thirty (30) calendar days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Agreement, in the sole discretion of the County, upon which the County may suspend or terminate the Agreement.

12.2.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Agreement, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate the Agreement. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternately, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

12.2.5 Insurer Financial Ratings

Coverage shall be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

12.2.6 Contractor's Insurance Shall Be Primary

Contractor's insurance policies, with respect to any claims related to this Agreement, shall be primary with respect to all other sources of coverage available to Contractor. Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Contractor coverage.

12.2.7 Waivers of Subrogation

In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during the Term of the Agreement and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" or that Contractor continues to qualify for an exception to the Jury Service Program.
- 32.2.4 Contractor's violation of this Section 32.0 (Compliance with Jury Service Program) may constitute a material breach of the Agreement. The fees associated with the background investigation shall be at the expense of the Contractor, regardless if the member of Contractor's staff passes or fails the background investigation.
- 33.2 If a member of Contractor's staff does not pass the background investigation, County may request that the member of Contractor's staff be immediately removed from performing services under the Agreement at any time during the Term of the Agreement. County will not provide to Contractor or to Contractor's staff any information obtained through the County's background investigation.
- 33.3 County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor's staff that does not pass such

investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.

- 33.4 Disqualification of any member of Contractor's staff pursuant to this Section 33.0 shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of the Agreement.

34.0 ACCESS TO COUNTY FACILITIES

Contractor, its employees, and agents will be granted access to County facilities, subject to Contractor's prior notification to and approval by the County Project Director, for the purpose of executing Contractor's obligations hereunder. Contractor shall have no tenancy, or any other property or other rights in County facilities. While present at County facilities, Contractor's personnel shall be accompanied by County personnel at all times, unless this requirement is waived in writing prior to such event by the County Project Director.

35.0 COUNTY FACILITY OFFICE SPACE

In order for Contractor to perform services hereunder and only for the performance of such services, County may elect, subject to County's standard administrative and security requirements, to provide Contractor with office space and equipment, as determined at the discretion of the County Project Director, at County facilities, on a non-exclusive use basis. County shall also provide Contractor with reasonable telephone service and network connections in such office space for use only for purposes of the Agreement. County disclaims any and all responsibility for the loss, theft or damage of any property or material left at such County office space by Contractor.

36.0 DAMAGE TO COUNTY FACILITIES, BUILDINGS, OR GROUNDS

- 36.1 Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings or grounds caused by Contractor or employees or agents of Contractor. Such repairs shall be made promptly after Contractor has become aware of such damage, but in no event later than thirty (30) calendar days after the occurrence.
- 36.2 If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand, or without limitation of all County's other rights and remedies provided at law or equity, or under the Agreement, County may deduct such costs from any amounts due to Contractor from County under the Agreement.

37.0 INTENTIONALLY OMITTED

38.0 FEDERAL EARNED INCOME TAX CREDIT

Contractor shall notify its employees and shall require each subcontractor to notify its employees that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015, attached as Exhibit N (IRS Notice 1015) of the Agreement. Additional copies of Internal Revenue Service Notice 1015 can be obtained by calling 1-800-829-3676 or from the IRS website at www.irs.gov.

39.0 ASSIGNMENT BY CONTRACTOR

- 39.1 Contractor shall not assign its rights or delegate its duties under the Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Paragraph 39.1, County consent shall require a written amendment to the Agreement, which is formally approved and executed by the parties, and which may be executed by the Sheriff, on behalf of the County with the written concurrence of County Counsel. Any payments by County to any approved delegate or assignee on any claim under this Agreement shall be deductible, at County's discretion, against claims which Contractor may have against County.
- 39.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person, corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with Paragraph 39.1 of this Exhibit A (Additional Terms and Conditions).
- 39.3 Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Agreement which may result in the termination of the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

40.0 INDEPENDENT CONTRACTOR STATUS

- 40.1 The Agreement is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever. Contractor shall function as, and in all respects is, an independent Contractor.
- 40.2 Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing Work pursuant to the Agreement all compensation and benefits. County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, federal, state, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.
- 40.3 Contractor understands and agrees that all persons performing Work pursuant to the Agreement are, for purposes of workers' compensation liability, the sole employees of Contractor and not employees of County. County shall have no obligation to furnish, or liability for, workers' compensation benefits to any person as a result of any injuries arising from or connected with any Work performed by or on behalf of Contractor pursuant to the Agreement.
- 40.4 Contractor shall adhere to the provisions stated in Section 3.0 (Confidentiality) of this Exhibit A (Additional Terms and Conditions).

41.0 RECORDS AND AUDITS

- 41.1 Contractor shall maintain accurate and complete financial records of its activities and operations relating to the Agreement, including any termination hereof, in accordance with generally accepted accounting principles. Contractor shall also maintain accurate and complete employment and other records relating to its performance of the Agreement. Contractor agrees that County, or its authorized representatives, shall, with reasonable notice and during regular business hours, have access to and the right to examine, audit, excerpt, copy or transcribe any pertinent transaction, activity, or records of Contractor relating to the Agreement. Should the examination and audit be performed by a non-County entity or should a non-County entity be requested by County to review information received pursuant to an audit or examination under this Section 41.0 (Records and Audits), Contractor may require the non-County examiner or auditor, as the case may be, to execute a nondisclosure contract prior to any disclosure. The nondisclosure agreement shall limit the non-County entity's use of information received or reviewed in connection with the examination and audit to work performed specifically for the benefit of County. All such material, including all

financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets, and other time and employment records, shall be kept and maintained by Contractor and shall be made available to County during the Term of the Agreement and for a period of five (5) years thereafter unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then at Contractor's option, Contractor shall either (a) provide County with access to such material at a mutually agreed upon location inside Los Angeles County, or (b) pay County for travel, per diem, and other costs and expenses incurred by County to examine, audit, excerpt, copy or transcribe such material at such outside location.

- 41.2 If an audit is conducted of Contractor specifically regarding the Agreement by any federal or state auditor, or by an auditor or accountant employed by Contractor or otherwise, then Contractor shall file a copy of such audit report with County's Auditor-Controller and the County Project Director within thirty (30) calendar days of Contractor's receipt thereof, unless otherwise provided by applicable federal or state law or under the Agreement.
- 41.3 If, at any time during or after the Term of the Agreement, representatives of County conduct an audit of Contractor, as and to the extent permitted hereunder, regarding the Work performed under the Agreement, the results of such audit, including any final determination in respect of an underpayment or overpayment, if any by County under the Agreement, shall be provided in writing to Contractor. Contractor shall have thirty (30) calendar days to review the findings contained in such audit and notify County of any objection to the same. Such notice must include, in reasonable detail, the basis for Contractor's objection and any supporting documentation and analysis for Contractor's objection. If the parties cannot agree, within fifteen (15) calendar days of receipt of Contractor's objection to the findings contained in County's audit, on the amount of underpayment or overpayment, if any, by County to Contractor hereunder, then either party may submit such matter to the Dispute Resolution Procedure, provided such matter shall be submitted initially, directly to the County Project Director and the Contractor Project Director. If Contractor fails to notify County of any objection it has to the findings of County's audit within the thirty (30) calendar day period set forth above, Contractor waives any right to object to the findings of such audit, including any determination of overpayment by County. If such audit, whether initially following a waiver by Contractor of its right of objection or upon final determination pursuant to the Dispute Resolution Procedure, finds that County's dollar liability for any such Work is less than payments made by County to Contractor, then the difference, together with County's reasonable costs of audit, shall be either repaid by Contractor to County by cash payment upon demand or, at the discretion of the County Project Director, deducted from any amounts due

to Contractor from County. If such audit finds that County's dollar liability for such Work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County, but in no event shall County's payments to Contractor exceed the Maximum Contract Sum of the Agreement.

- 41.4 Failure on the part of Contractor to comply with any of the provisions of this Section 41.0 (Records and Audits) shall constitute a material breach upon which County may terminate or suspend the Agreement.

42.0 LICENSES, PERMITS, REGISTRATIONS, ACCREDITATION, AND CERTIFICATES

Contractor shall obtain and maintain in effect during the Term of the Agreement all licenses, permits, registrations, accreditation, and certificates required by all federal, state, and local laws, ordinances, rules, and regulations, which are applicable to Contractor's services under the Agreement. Contractor shall further ensure that all of its officers, employees, and agents who perform services hereunder, shall obtain and maintain in effect during the Term of the Agreement all licenses, permits, registrations, accreditation, and certificates which are applicable to their performance hereunder. If and to the extent requested by County, Contractor shall provide copy of each such license, permit, registration, accreditation, and certificate, in duplicate, to Contracts Manager, Sheriff's Department - Contracts Unit, 4700 Ramona Boulevard, Room 214, Monterey Park, CA 91754-2169.

43.0 NO THIRD PARTY BENEFICIARIES

Notwithstanding any other provision of the Agreement, Contractor and County do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of the Agreement, except that this Section 43.0 (No Third Party Beneficiaries) shall not be construed to diminish Contractor's indemnification obligations hereunder.

44.0 MOST FAVORED PUBLIC ENTITY

If Contractor's prices decline, or should Contractor, at any time during the Term of the Agreement, provide the same goods and/or substantially similar services under similar quantity, delivery, and other applicable terms and conditions to the State of California or any county, municipality, public agency, or district within California at prices below those set forth in the Agreement, then such lower prices shall be extended immediately to County.

45.0 COUNTY'S QUALITY ASSURANCE PLAN

County or its agent will evaluate Contractor's performance under the Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with the terms and conditions and performance standards of the Agreement. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board. The report will include improvement and corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate the Agreement or impose other penalties as specified in the Agreement, including Exhibit J (Performance Requirements Summary (PRS) Chart).

46.0 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should Contractor require additional or replacement personnel after the effective date of this Agreement to perform the services set forth herein, Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of the Agreement.

47.0 CONTRACTOR TO NOTIFY COUNTY WHEN IT HAS REACHED 75% OF MAXIMUM CONTRACT SUM

Contractor shall maintain a system of record keeping that will allow Contractor to determine when it has incurred seventy-five percent (75%) of the Maximum Contract Sum. Upon occurrence of this event, Contractor shall send written notification to the County Project Director and the County Project Manager.

48.0 NO PAYMENT FOR SERVICES PROVIDED FOLLOWING EXPIRATION OR TERMINATION OF AGREEMENT

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor under the Agreement, after the expiration or other termination of the Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration or termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of the Agreement.

49.0 SAFELY SURRENDERED BABY LAW

49.1 Notice to Employees

Contractor shall notify and provide to its employees and shall require each subcontractor performing Work under the Agreement to notify and provide to its employees a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit F (Safely Surrendered Baby Law) of the Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

49.2 Contractor's Acknowledgement of County's Commitment to the Safely Surrendered Baby Law

Contractor acknowledges that County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's "Safely Surrendered Baby Law" poster in a prominent position at Contractor's place of business. Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. County's Department of Children and Family Services will supply Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

50.0 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Contractor and County agree that, during the Term of this Agreement and for a period of one (1) year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

51.0 PUBLIC RECORDS ACT

51.1 Any documents submitted by Contractor and all information obtained in connection with County's right to audit and inspect Contractor's documents, books, and accounting records, pursuant to Section 41.0 (Records and Audits) of this Exhibit A (Additional Terms and Conditions) become the exclusive property of County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "Trade Secret," "Confidential," or "Proprietary." County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

51.2 In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a bid/proposal marked "Trade Secret," "Confidential," or

“Proprietary,” Contractor agrees to defend and indemnify County from all costs and expenses, including reasonable attorney’s fees, in action or liability arising under the Public Records Act.

52.0 TRANSITIONAL JOB OPPORTUNITES PREFERENCE PROGRAM

- 52.1 The Agreement is subject to the provisions of the County’s ordinance entitled Transitional Job Opportunities Preference Program, as codified in Chapter 2.205 of the Los Angeles County Code.
- 52.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Transitional Job Opportunity vendor.
- 52.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Transitional Job Opportunity vendor.
- 52.4 If Contractor has obtained County certification as a Transitional Job Opportunity vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:
1. Pay to the County any difference between the contract amount and what the County’s costs would have been if the contract had been properly awarded;
 2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract; and
 3. Be subjected to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the certifying department of this information prior to responding to a solicitation or accepting a contract award.

53.0 WAIVER

No waiver by County of any breach of any provision of the Agreement shall constitute a waiver of any other breach or of such provision. Failure of County to enforce at any

time, or from time to time, any provision of the Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in the Agreement shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Agreement.

54.0 GOVERNING LAW, JURISDICTION, AND VENUE

The Agreement shall be governed by, and construed in accordance with, the laws of the State of California. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California (except with respect to claims that are subject to exclusive Federal subject matter jurisdiction, as to which Contractor agrees and consents to the exclusive jurisdiction of the United States District Court of the Central District of California) for all purposes regarding the Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the Central District of the Superior Court for the County of Los Angeles, California.

55.0 SEVERABILITY

If any provision of the Agreement is adjudged void or invalid for any reason whatsoever, but would be valid if part of the wording thereof were deleted or changed, then such provision shall apply with such modifications as may be necessary to make it valid and effective. In the event that one or more of the provisions of the Agreement is found to be invalid, illegal or unenforceable in any respect, such provision shall be deleted here from and the validity, legality, and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby, unless the Agreement fails of its essential purpose because of such deletion.

56.0 RIGHTS AND REMEDIES

The rights and remedies of County provided in any given Section, as well as throughout the Agreement, including throughout this Exhibit A (Additional Terms and Conditions), are non-exclusive and cumulative with any and all other rights and remedies under this Agreement, at law, or in equity.

57.0 NON EXCLUSIVITY

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the Contractor. The Agreement shall not restrict County or the Department from acquiring similar, equal or like goods and/or services from other entities or sources.

58.0 FACSIMILE

Except for the parties initial signatures to the Agreement, which must be provided in "original" form, and not by facsimile, County and Contractor hereby agree to regard

facsimile representations of original signatures of authorized officials of each party, when appearing in appropriate places on change notices or in other correspondence, notices, etc. requiring signatures, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed thereto, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

59.0 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PREFERENCE PROGRAM

- 59.1 The Agreement is subject to the provisions of the County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.
- 59.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.
- 59.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.
- 59.4 If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Agreement to which it would not otherwise have been entitled, shall:
 - 1. Pay to County any difference between the Agreement amount and what County's costs would have been if the Agreement had been properly awarded;
 - 2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the Agreement; and
 - 3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status

would no longer be eligible for certification, and fails to notify the state and Internal Services Department of this information prior to responding to a solicitation or accepting a contract award.

60.0 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PROMPT PAYMENT PROGRAM

Certified Local SBEs will receive prompt payment for services they provide to County departments. Prompt payment is defined as fifteen (15) calendar days after receipt of an undisputed invoice.

61.0 TERMINATION FOR NON APPROPRIATION OF FUNDS

Notwithstanding any other provision of the Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of the Agreement during any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for the Agreement in County's Budget for each such future fiscal year. In the event that funds are not appropriated for the Agreement, then the Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor in writing of any such non-allocation of funds at the earliest possible date.

62.0 WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

62.1 Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

62.2 Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the Term of the Agreement will maintain compliance, with Los Angeles County Code Chapter 2.206, attached as Exhibit H (Defaulted Property Tax Reduction Program and Certification of Compliance with County's Defaulted Property Tax Reduction Program) of the Agreement. Contractor's Certification of Compliance with County's Defaulted Property Tax Reduction Program is also attached as Exhibit H (Defaulted Property Tax Reduction Program and Certification of Compliance with County's Defaulted Property Tax Reduction Program) of the Agreement.

63.0 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Section 62.0 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program) of this Exhibit A (Additional Terms and Conditions) shall constitute default under the Agreement. Without limiting the rights and remedies available to County under any other provision of the Agreement, failure of Contractor to cure such default within ten (10) calendar days of notice shall be grounds upon which County may terminate the Agreement and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

64.0 NOTICE OF DELAYS

Except as otherwise provided under the Agreement, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of the Agreement, that party shall, within one (1) Business Day, give notice thereof, including all relevant information with respect thereto, to the other party.

STATEMENT OF WORK

Capitalized terms used in this Exhibit B (Statement of Work) not otherwise defined herein shall have the meanings given to such terms in Section 2 (Definitions) of the Agreement.

1.0 PURPOSE AND BACKGROUND

- 1.1 The Department desires Contractor to provide equipment maintenance, support, and repair services further described in this Exhibit B for the LiveScan Equipment, System Software, and Additional Software. The systems are located in every police station, Department station, criminal booking facility, the Coroners Office, Probation sites, the District Attorney's Office and all but two of the courthouses in Los Angeles County, as listed on Exhibit C (Maintenance Price Schedule and Equipment List) of the Agreement.
- 1.2 The County's criminal LiveScan network is a dynamic system that is designed to incorporate new technology as new generation LiveScan hardware, software, and processing equipment are introduced. The County's criminal LiveScan network went through a significant upgrade in 2005 at a cost of \$7.8 million.
- 1.3 The County's network in its current configuration is interfaced to the Los Angeles Automated Fingerprint Identifications System (LAFIS), the Automated Jail Information System (AJIS), a mug shot image management system, the Department's Custody Division's Defendant/Inmate Movement Management System (DIMMS), local law enforcement agencies, record management systems, and the California Department of Justice's (DOJ) Automated Fingerprint Identification System (AFIS). Any change or modifications to the interfacing systems impacts the configuration of the County's LiveScan network.
- 1.4 The primary functionality of the criminal LiveScan devices permits the digital image capture and electronic transmission of fingerprints, palm prints, booking information, and digital booking photos to the LAFIS located at the Department's Records and Identification Bureau. The capture, transmission, storage, and processing of the images and data within the network include highly sophisticated and proprietary functions designed specifically for the County.

2.0 GENERAL SCOPE OF SERVICES

- 2.1 Contractor shall maintain, support, and service (1) the LiveScan Equipment (including LiveScan devices, printers, cameras, servers and other sub-components) listed in Exhibit C (Maintenance Price Schedule

and Equipment List) of the Agreement, (2) the System Software with respect to such LiveScan Equipment, and (3) any Additional Software.

- 2.2 Contractor shall provide, upon County's request, any and all Additional Work.

3.0 MAINTENANCE SERVICE REQUIREMENTS

Contractor shall provide both Remedial Maintenance and Preventive Maintenance of all the LiveScan Equipment listed in Exhibit C (Maintenance Price Schedule and Equipment List) of the Agreement, the System Software with respect to such LiveScan Equipment, and the Additional Software.

4.0 SELF DIAGNOSTIC CAPABILITY

Contractor shall provide a self-diagnostic capability for each device of LiveScan Equipment, whereby an operator can determine that all component devices are functioning normally. This may be accomplished either by diagnostic routines performed by the operator and/or remotely initiated diagnostics performed by the Department's LACRIS staff or Contractor's representative. The devices must also be able to run self diagnostics at pre-determined times.

5.0 REMEDIAL MAINTENANCE SERVICE REQUIREMENTS

- 5.1 Contractor shall perform full-service, on-call emergency repair Remedial Maintenance services for all LiveScan Equipment listed in Exhibit C (Maintenance Price Schedule and Equipment List) of the Agreement, the System Software with respect to such LiveScan Equipment, and the Additional Software, on a twenty-four (24) hours-per-day, seven (7) day-per-week basis, including County holidays.
- 5.2 "Remedial Maintenance" is defined as the lubrication, adjustment, and replacement of parts to restore equipment to good operating condition as per manufacturer's specification. Remedial Maintenance includes all required labor, repair, and/or replacement of all LiveScan Equipment parts and the System Software with respect to such LiveScan Equipment, and the Additional Software regardless of how damaged. With respect to System Software and Additional Software, Remedial Maintenance includes the provision of Updates needed to restore such System Software or Additional Software to good operating condition as per manufacturer's specification.
- 5.3 Contractor shall provide Remedial Maintenance service which ensures that the LiveScan Equipment shall be repaired within eight (8) consecutive hours from the time Contractor is notified by the Department. If any device or equipment is out of service for eight (8) consecutive hours from

the time Contractor was notified by the Department, Contractor shall, by the end of the eighth (8th) hour, replace the defective device or equipment with an operable device or equipment until the defective item has been fully repaired. The eight (8) hour clock begins from the time of personal notification to a representative, or message left at call center for Contractor. The service technician assigned the service call must return the Department's call within one (1) hour to the LACRIS Help Desk at (562) 345-4400.

- 5.4 Contractor shall provide Remedial Maintenance on an on-call basis. Contractor shall provide contact information for response to requests for repairs after normal business hours.
- 5.5 Contractor may attempt to correct problems by phone or remote access. If Contractor is unable to correct a problem in this manner, Contractor must begin on-site repair within four (4) hours of the time Contractor was initially notified by the Department, depending on the availability of the site.

6.0 PREVENTIVE MAINTENANCE SERVICE REQUIREMENTS

- 6.1 Contractor shall provide Preventive Maintenance in accordance with the recommendations and specifications of the original equipment manufacturer for each site and each piece of LiveScan Equipment listed on Exhibit C (Maintenance Price Schedule and Equipment List) of the Agreement, the System Software with respect to such LiveScan Equipment, and any Additional Software.
- 6.2 Without limiting the requirement that the Preventive Maintenance schedule be in accordance with the recommendations of the original equipment manufacturer, Preventive Maintenance shall be performed every thirty (30) calendar days, with no less than fifteen (15) calendar days in between visits, and with a downtime of no more than one and one half (1.5) hours.
- 6.3 All Preventive Maintenance must be performed during slack times or off-shift hours, when LiveScan Equipment is not in use, and must not exceed 1.5 hours per Preventive Maintenance call.
- 6.4 Contractor shall provide a Preventive Maintenance service that is consistent with the level of required Preventive Maintenance for a specific location. "Preventive Maintenance" shall include but is not limited to: checking, cleaning, and calibrating all equipment (including but not limited to: LiveScan device, mug shot camera, printer, server, and other sub-components) at each site to ensure good working condition to manufacturer's specification.

- 7.1 Contractor shall provide a list of high usage and critical spare parts for any LiveScan Equipment to be stored locally at the Department's Central Site equipment storage in Norwalk, as listed on Exhibit C (Maintenance Price Schedule and Equipment List) of the Agreement. This list must be approved by the County Project Manager prior to the actual storage of such parts by Contractor.
- 7.2 Any spare part that is used in the recovery from a failure of any component of such LiveScan Equipment must be replaced within seventy-two (72) hours of the use at Contractor's expense.
- 7.3 The County Project Manager will ensure that periodic inspection of the spare parts is made and the quantity of the spare parts can be verified against the list.

14.0 CONTRACTOR'S GUARANTEE

- 14.1 Contractor shall guarantee fully-operational system performance for each item of (1) LiveScan Equipment included in Exhibit C (Maintenance Price Schedule and Equipment List) of this Agreement, which is comprised of a modular configuration of various equipment items, (2) System Software, with respect thereto, and (3) Additional Software (collectively referred to in this Section 14.0 each as a "system") at a minimum rate of not less than ninety-five percent (95%) annually. Contractor shall review system performance monthly, or as often as necessary to verify the 95% annual performance standard for each year the systems are covered under this Agreement.

14.2 System Downtime (non-operational) Defined

For purposes of this Agreement, a system is considered non-operational when a) the entire system is not functional, or b) a component of the system, including software, is not working properly and adversely impacting the ability of the system to fully function as intended by the original equipment manufacturer of the affected component.

In either instance, downtime shall be considered "System Downtime", and shall be calculated in monthly increments by calendar month in the following manner:

- 1) total hours per day the system is required by the County to be in service,
- 2) multiplied by the number of required days in service per month,
- 3) multiplied by 95%. (Prior to beginning Work under this Agreement, County will provide Contractor with a listing of 'in-service' requirements (hours) for each system listed in Exhibit C (Maintenance Price Schedule and Equipment List) of the Agreement.

14.3 System Downtime Exceptions

Contractor shall not be responsible for System Downtime which results from any of the following:

- a. Facility power failure(s)
- b. County data system or network failure
- c. County operator error
- d. Force majeure events described in Section 15.0 (Force Majeure) of Exhibit A (Additional Terms and Conditions) of the Agreement.

For each and every occurrence listed above, County will adjust the total monthly in-service hours required for each respective system, and provide a revised figure to Contractor. Notwithstanding this Paragraph 14.3, Contractor shall nonetheless provide all repair services required under this Agreement within the time frames, and in the manner set forth in this Agreement.

- 14.4 For each system which fails to meet the performance standard in any calendar month, Contractor shall issue to County a credit for the following calendar month based upon the monthly service Agreement price for the system in question, which shall be determined as follows:

<u>Equipment uptime</u>	<u>Applied Invoice Credit</u>
95% - 100% uptime	0%
90% - 94.9% uptime	10%

80% - 84.9% uptime	20%
Below 80%	25%

The summary report shall minimally include: system serial numbers, location of equipment, County's required in-service hours, actual hours in service, and percent of hours in operation.
- 14.6 County will review Contractor's service-call tracking system documentation discussed in Paragraph 10.6 above, or other records, as often as necessary, but not less than monthly. Contractor shall apply the appropriate credit to the following month's invoice. Failure by County to request such credit shall not constitute a waiver of such right, which may be exercised at any time.
- 14.7 Contractor shall be considered by County to be in default of this Agreement, and County shall have the right to provide Contractor with notice thereof, for any system which is not in service for eight (8) consecutive hours, and for which Contractor has not provided an adequate remedy (loaner equipment or components) as described in Paragraph 5.0 (Remedial Maintenance Service Requirements) of this SOW.

15.0 CONTRACTOR'S WARRANTY

In addition to the other warranties elsewhere in the Agreement:

15.1 Warranty to Provide Professional Skills and Performance

- 15.1.2 Contractor warrants that all tasks, deliverables, services, and other Work provided shall conform to the specifications for, and to the standards set by, each respective OEM for the LiveScan Equipment listed in Exhibit C (Maintenance Price Schedule and Equipment List) of the Agreement, System Software, and the Additional Software, for the same or similar tasks, deliverables, services, and other Work.
- 15.1.3 Contractor warrants that Contractor and all staff performing Work hereunder are authorized to perform the Work hereunder, including,

if required, by the OEM.

15.2 Warranty to Maintain Equipment within Specifications

Contractor warrants that Contractor will maintain County's LiveScan Equipment, System Software, and the Additional Software free from defects in workmanship and materials so that all LiveScan Equipment, System Software, and Additional Software shall conform to the performance capabilities, characteristics, specifications, functions, and standards applicable thereto, as published by the original equipment manufacturer (OEM) of each component thereof.

17.0 PERFORMANCE REQUIREMENTS SUMMARY

17.1 All listings of services set forth in Exhibit J (Performance Requirements Summary Chart) of the Agreement are intended to be completely consistent with the Agreement and this SOW, and are not meant in any case to create, extend, revise, or expand any obligation of Contractor beyond that defined in the Agreement and this SOW. In any case of apparent inconsistency between services as stated in the body of the Agreement, this SOW, and Exhibit J (Performance Requirements Summary Chart) of this Agreement, the meaning apparent in the Agreement and SOW shall prevail. If any service created in Exhibit J (Performance Requirements Summary Chart) of the Agreement is not clearly and forthrightly set forth in the Agreement and the SOW, that portion of Exhibit J (Performance Requirements Summary Chart) of the Agreement shall be null and void.

17.2 When Contractor's performance does not conform to the requirements of this Agreement, County shall have the option to apply the following non-performance remedies:

- a. Require Contractor to implement a formal corrective action plan, subject to approval by County. In the plan, Contractor must include reasons for the unacceptable performance, specific steps to return

performance to an acceptable level, and monitoring methods to prevent recurrence.

- b. Reduce payment to Contractor by computed amount based on the assessment(s) in the PRS.
- c. Reduce, suspend or cancel this Agreement for systematic, deliberate misrepresentations, or unacceptable levels of performance.
- d. Failure of Contractor to comply with or satisfy the request(s) for improvement of performance or to perform the neglected work specified within ten (10) Business Days shall constitute authorization for County to have the service(s) performed by others. The entire cost of such work performed by others as a consequence of Contractor's failure to perform said service(s), as determined by County, shall be credited to County on Contractor's future invoice.

17.3 This Section 17.0 (Performance Requirements Summary) does not preclude the County's right to terminate the Agreement in accordance with the provisions of Exhibit A (Additional Terms and Conditions) of the Agreement.

18.0 CONTRACT PERFORMANCE DISCREPANCY REPORT

- 18.1 Verbal notification of a contract performance discrepancy will be made to the Contractor Project Manager as soon as possible.
- 18.2 The County Project manager will determine whether a formal Contract Performance Discrepancy Report shall be issued. The Contract Performance Discrepancy Report form is attached as Exhibit I (Contract Performance Discrepancy Report) of the Agreement.
- 18.3 Upon Contractor's receipt of a Contract Performance Discrepancy Report, Contractor shall respond in writing to the County Project Manager within ten (10) Business Days, acknowledging the reported discrepancies or presenting contrary evidence. A plan for correction of all deficiencies identified in the Contract Performance Discrepancy Report shall be submitted to the County Project Manager within ten (10) Business Days.

SAFELY SURRENDERED BABY LAW

Safely Surrendered

No shame. No blame. No names.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered

Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindará atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

JURY SERVICE ORDINANCE AND JURY SERVICE PROGRAM CERTIFICATION FORM AND APPLICATION FOR EXCEPTION

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

Page 1 of 3

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

COUNTY OF LOS ANGELES CONTRACTOR EMPLOYEE JURY SERVICE PROGRAM CERTIFICATION FORM AND APPLICATION FOR EXCEPTION

The County's Agreements are subject to the County of Los Angeles Contractor Employee Jury Service Program (Program), Los Angeles County Code, Chapter 2.203. **Refer to Exhibit A, Additional terms and Conditions, Paragraph 33.0, Compliance with Jury Service Program.** All Contractors, whether a contractor or subcontractor, must complete this form to either certify compliance or request an exception from the Program requirements. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the Contractor is excepted from the Program.

Company Name:		
Company Address:		
City:	State:	Zip Code:
Telephone Number:		

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (attach documentation to support your claim); or, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, please sign and date this form below.

Part I: Jury Service Program is Not Applicable to My Business

- ☐ My business does not meet the definition of "contractor," as defined in the Program, as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract itself will exceed \$50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.
- ☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exception will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- ☐ My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

Part II: Certification of Compliance

- ☐ My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

IRS NOTICE 1015

(Obtain latest version from IRS website)
<http://www.irs.gov/pub/irs-pdf/n1015.pdf>

Department of the Treasury
Internal Revenue Service

Notice 1015

(Rev. December 2007)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2007 are less than \$39,783 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2008.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from the IRS website at www.irs.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2007 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2007 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2007 and owes no tax but is eligible for a credit of \$825, he or she must file a 2007 tax return to get the \$825 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2008 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.
